Dear Parent / Guardian

32nd Nottingham – 40th Birthday Year

In September our Boys Brigade Company will start celebrating its 40th year. We were first enrolled as a BB Company in November 1970. To celebrate this special year we will be holding various celebration events throughout the year which we want you to put in your diary now. Further details will be provided nearer the dates

To give something back to the community during the year we have decided to support two charities and any money raised from the events below will be donated to these charities. The two charities are the MacMillian Nurses and What About Me. The What about Me charity supports young people who live in difficult situations where drugs and alcohol is a problem in their home. We will provide more information about our two charities during the year.
