7 October 2011

Dear Parents / Guardian

## **Bring a friend Night - 14th October 2011**

As part of our strategy to bring new young people to the Boy's Brigade at Nuthall we are holding a special 'Bring a Friend' evening. All boys are asked to bring a friend to BB on 14 October to enjoy the experience of a Friday night.

Each section in the company will be joining in the event and running a normal fun night. Our leaders will be on hand to answer questions and give information on the many events we run.

Please take this invitation and pass on to your friends and we look forward to welcoming them and are anticipating a fun night.

Many thanks

Dave Tantum
